SPORTY CHICK OUTFIT WITH MODRESS AND WILMA T-SHIRT – ITALIANO

Buongiorno tesori, oggi sul vostro fashion blog del cuore il mio outfit sporty chick: un look giocoso e sportivo da indossare nel tempo libero. Un look da weekend, rilassato ma allo stesso tempo femminile. Indosso infatti una t-shirt dipinta a mano con amore dalla mia amica Wilma, che timidamente sta promuovendo i suoi capolavori. Io – che timida non sono per niente – vi invito a seguire Wilma t-shirt su [Instagram](#), [Facebook](#) e [Depop](#) (@wilma_tshirt) dove potrete ordinare una t-shirt personalizzata fatta con amore. Per il mio look sporty chick ho scelto di indossare una gonna bouclé dal taglio classico sopra a leggings damascati. Questi leggings double-face fanno parte della nuova collezione moda di [Bugle by Cocoli](#), che propone tanti modelli sfiziosi per vestirsi a strati con stile. Gli accessori fashion del mio look sporty chick – [sneakers bianche](#) e [clutch azzurra](#)– sono new entries da Modress, uno shop online francese con tante [proposte moda low cost](#). Non ho saputo rinunciare all'effetto wow di uno statement necklace di SimonaB, al momento la mia preferita tra le sue creazioni. Che ne dite fashion lovelies del mio outfit del giorno?

SPORTY CHICK OUTFIT WITH MODRESS AND WILMA TSHIRT – ENGLISH

Hello my precious gems, in case you are wondering what I'm talking about, by **sporty chick outfit** I mean a sporty and playful look to wear in your spare time. A weekend outfit, laidback yet girly. I'm wearing a special t-shirt, hand-painted with love by my friend Wilma, a shy and refined artist . As I'm not shy at all – I invite you to follow Wilma t-shirt on [Instagram](#), [Facebook](#) and Depop (wilma_tshirt) where you can order a personalised t-shirt made with love. I styled my sporty chick look layering an a-line boucle skirt I over leggings with a batik pattern. These reversible leggings are part of the new fashion collection **Bugie by Coccoli**, which features many cute items for a stylish layering. The accessories of my sporty chick outfit – **white sneakers** and **light blue clutch** – are new entries from Modress, a French online shop with a wide range of low-cost fashion items, like **inexpensive shoes and bags**. Once again I gave in to the wow effect of a statement necklace by SimonaB, currently my favorite among her creations. How do you like my OOTD fashion lovelies?

Indosso/I'm wearing: t-shirt personalizzata dipinta a mano / hand-painted t-shirt - [Wilma T-Shirt](#), leggings - [Bugie by Coccoli](#), gonna/skirt - [Max&Co](#), Sneakers - [Modress](#), Clutch - [Modress](#), statement necklace - [SimonaB](#).
