BORDEAUX AUTUNNO 2015 – BURGUNDY TOTAL LOOK

📅 SEPTEMBER 21, 2015 📍 COCO ET LA VIE EN ROSE 👤 VALERIA ARIZZI - COCO 💬 57 COMMENTS

Bordeaux Autunno 2015: il color bordeaux, burgundy, o borgogna, protagonista del mio outfit moda del giorno. Burgundy total look today on Coco et La vie en rose fashion blog.

BORDEAUX AUTUNNO 2015 – BURGUNDY TOTAL LOOK – ITALIANO

Bordeaux Autunno 2015: non sto parlando di un vino novello francese, ma dell'**outfit moda** che indosso oggi. Il bordeaux, burgundy, o borgogna che dir si voglia si è affermato negli ultimi anni come uno dei colori moda più amati dalle fashion icon di tutto il mondo. Mi piace abbinarlo al nero, per un outfit casual e low-profile come quello di oggi. Un maglione bordeaux abbinato a jeans bianchi – opportunamente strappati – e stivaletti cutout dà vita ad un look super glam. Un cappello color burgundy e una mantella in tartan nei toni del sottobosco fanno subito British country chic. Insomma, questo colore moda offre infinite possibilità di styling, ma quest'anno è soprattutto amato nel **makeup**: sfoggiate le vostre labbra color vino e sarete super trendy 😊 Buon lunedì amori!

BORDEAUX AUTUNNO 2015 – BURGUNDY TOTAL LOOK – ENGLISH

Bordeaux Autunno 2015: I'm not talking about a new French wine, but my **fashion outfit** of the day. Bordeaux in French, Borgogna in Italian, Burgundy in English – it's become one of Fall Winter go-to colors for most fashion icons all over the world. I like styling it with black, for a casual and low-profile outfit like the one I'm wearing today. A burgundy knit over white ripped jeans and cut-out boots makes a super glam look. A burgundy hat and a tartan blanket scarf in undergrowth hues are the British country chic ensemble par excellence. All in all, this fashion colour allows for playing with styling, but this year is the hottest thing in **makeup**: rock your wine coloured lips and you're killing it 😊 Wish you a sweet monday my loves!

Indosso/I'm wearing: Abito, sciarpa e borsa/Dress, scarf and bag – Desigual, Leggings – Bugie by Coccoli, Scarpe/Shoes – Emanuela Passeri. Grazie per aver visitato [Coco et La vie en rose fashion blog Italia](#). Thank you for being here and following [Coco et La vie en rose international fashion blog](#). Con affetto / With love, Coco

Perfetta, carinissima Coco! Mi piace burgundy moltissimo, e so che puo essere le foto, ma il abito/top mi sembra un po fuchsia, ma OK, perche mi piace anche fuchsia! Leggings sono sempre perfetti per un look femminile e mi piace le colore con le sciarpe e scarpe/stivale. Un look carino e bello! Baci e ti auguro una buona settimana!

Disigual? Who knew? I was never tempted to shop in one while I was in Spain, but now I want to. The scarf makes the look. So cute.

Sorry I haven't been around a lot, but I am working on a BIG project, and will be back soon...plus, Carly Fiorina is depressing me.
